

Oregon Senior Center is recruiting drivers in the Town of Rutland

As you may know, Oregon Senior Center relies on volunteer drivers to do two things - deliver meals to the homebound and take people to medical appointments. With new territory to cover, Oregon Senior Center is in need of additional drivers. The hours are perfectly flexible for medical rides, and meal drivers may pick and choose when they prefer to drive and deliver. This is a wonderful and enriching opportunity to meet friends and neighbors in Rutland.
